Please join us for the Figueroa Corridor Board Meeting next Tuesday, June 14th, at 12pm. The meeting will be held at LA Trade Tech College, in the Garden Room of the cafeteria, which is the same room we used before. Attached is the parking permit for June 14, 2016, which will need to be left on dash of car, and a campus map that you can detach from parking permit. The closest place to park will be either the Olive street parking structure or the F-Lot Roof top parking.

Please see attached agenda and minutes and make sure to RSVP.

Thanks,  
Katie
